

1) Introduction / Summary

- There are two realms
- **Earthy Realm** also called the 1st and 2nd Heaven
 - Satan rules this realm / He is the god of this world
 - He has weapons at his disposal:
 - Lies, Deception, Temptations, Blinding of eyes
 - **He works in people, systems, culture**
 - **The battlefield he chooses to use is the mind**
- **Heavenly Realm** also called the 3rd heaven
 - Jesus is king of this realm
 - Jesus' weapons are superior to the enemy weapons
 - He has angels that harken to His voice and win over evil forces
 - *He has given His weapons to us - They are our weapons too*
- When we *activate* The Spiritual Realm it: Overrides / changes / the physical realm
- When we use our Spiritual weapons they: Halt / Nullify / Cancel / Reverse / Overcome the enemy weapons
- Our weapons can cause the **imPOSSIBLE** to be **POSSIBLE**

2) Mind is the link between the two Realms

- Don't live according to the flesh, but live by the Spirit Rom 8:5 - 8
- **When we believe and partner with the enemies lies, we partner with him and give him power and influence over our lives.**
- **However, when we believe Word of God, His Truth, and refuse the devil's influence, we are protected, shielded from his attacks and we can stand in the authority we have been given as children's of God.**
- Activate the realm with your mind:
 - The Bible teaches that we have gates into the soul (eyes & ears), the gateway to the heart is the mind
 - Renew your mind... Rom 12:2
 - Guard your eyes and ears... Prov 4:20-22

3) Where are you fighting from?

- Not fighting against flesh & blood Eph 6:10-13
- a) When we war in the **1st heaven**
 - We start to fight people, not the enemy
 - Places us beneath the enemy! Not effective at all
- b) When we fight from the **2nd heaven**, we challenge the devil on his own terms, we might land a few good shots, but we can also take a beating.
- c) When we fight from the **3rd heaven**, Heavenly Realms, seated with Christ position
 - All of God's resources are at our disposal, Angels harken to the Word and fight for us
 - We have His strategies and wisdom
 - Jesus has already disarmed the enemy Col2:13-15
 - Gives us authority over the power of the enemy Luke 10:19
 - We already have the victory, more than conquerors Rom 8:38-39, 1 Jhn 4:4

- We have the Keys to the Kingdom, we can bind and lose Matt 16:18-19
- It is the God of Peace who crushes satan under our feet Rom 16:20
- This is the only position satan is under our feet Eph 2:4-8
- We become spectators, as God's forces fight for us. Only with our eyes Ps 91:8

4) How do we fight the devil?

- **Simple answer:** We don't, We don't engage with him, we stand and resist in Jesus' authority.
- We are only asked to **fight the good fight off faith** - believing God's Word
- Stand Firm Eph 6:10-13
- We authority over the enemy Luke 10:19
- Resit him and stand firm 1 Pet 5:7-9
- Resit the devil and he will flee from you James 4:7
- We don't war according to the flesh (amp) 2 Cor 10:3-5

- Jesus fights for us
 - When we confess Jesus as Lord and Saviour, we come under his blood.
 - The devil no longer has power over us.
 - We are now loved and protected, when we're under the shadow of His wings, and if we live in this reality, there is nothing the devil can do to defeat us.
 - We use the shield of faith to stop the devil's fiery darts of lies and deceit.

5) This is How I fight my Battles

- Capture enemy thoughts (amp) 2 Cor 10:3-5
- If you suddenly feel a change in atmosphere, emotions, feelings - **STOP** - what is happening here?
- If you've lost your peace, **STOP**, go back, where did you lose your peace?
- What lie, broadcast is the devil introducing?
 - If the thought is... **fear, panic or anxiety, lust, depression or suicide...**
 - **Capture it:** Renounce the lie and replace with the Truth of God's Word
Peace, Love, I am accepted, I can do all things though Christ

- Get God's Word on that lie - The Truth of God's Word
- The truth (you know), will set you free John 8:32, Jhn 17:17

- This is Resisting and Standing - **This is how we win the battle!**
- We can be like Jesus and sleep through the storms of life.
- We can have **His Peace** when we partner with him.
- Spiritual Warfare is fought from a position of Peace!
- The God of Peace will crush satan shortly Rom 16:20
